Dear Matthew,

## Section 211 of the Town and Country Planning Act 1990: Notification of Works to Trees in a Conservation Area

**REFERENCE:** P/23/051/TWA  
**WORKS PROPOSED:** To re-pollard 4 no. elm trees and remove epicormic growth.  
**LOCATION:** Branksea House, Church Road, St Mary's

Thank you for your notification for tree works in a Conservation Area dated 9<sup>th</sup> July 2023. I am writing to confirm that there is **no objection** to the above tree works which have been assessed as appropriate. The Council does not intend to protect these trees further through a Tree Preservation Order (TPO).

If the works are not executed within two years of the date of this letter you are required to notify the Council's Planning Department again of your intention to undertake work to the tree. The work could be carried out in accordance with good practice as set out in "British Standards Recommendation for Tree Work" BS3998.

Yours sincerely,
