Hi Lisa,

Happy as long as they are over 3m away.

Thanks
Helen

Hi Helen

Are you happy with this?

Thanks
Lisa

Hi Lisa,

Further to the consultation comments from SWW, our client has confirmed that although the line of the sewer passes through the red line boundary of the site, the actual caravans are further than 3m away from the sewer and are raised above ground level in any case.

Please let us know if you need any further information.

Kind Regards,

Joseph Withers
