Bespoke Sleeper

**MADE IN
BRITAIN**

Premium Specification • Building Regulations Compliant

The Bespoke Sleeper is our top-of-the-range cabin. It is the latest sleeper in the Bunkabin range and offers even more comfortable living space.

We want your living space to be as cosy and enjoyable as possible. The Bespoke Sleeper offers you the quality and comfort normally associated with quality hotels.

Suited to any industry requiring temporary living accommodation, the unit features an interior similar to that of the Deluxe Sleeper with an enhanced shower room design, contemporary LED lighting and an integral blind encased within the glazed window unit, which creates a real wow factor. The Bespoke Sleeper also conforms to fire and building regulations.

The Bespoke Sleeper comes complete with:

En-Suite	Improved design to increase usable space. Dual flushing toilet, large wash hand basin, heated towel rail, humidistat fan and a large mounted mirror. Bright LED strip lighting
Shower	Large shower cubicle (750mm x 1000mm). Powerful stable mains fed shower with temperature control (Not an electric instantaneous shower with fluctuating temperature), shower curtain
Fitted Furniture	Walnut style furniture with wardrobe, boot locker and shelves. Wrap around shelving and LED task lighting above the desk and bed. Fridge housing unit with two shelves and worktop
Appliances	Built-in microwave oven (25 litres) and full size built in fridge (133 litres)
Beds	One full size single bed with mattress, individual over-bed LED lights
Heating	Thermostatically controlled environment heated by tubular heaters and a 100w towel heater in the bathroom
Flooring	Vinyl walnut wood effect flooring
