

Council of the Isles of Scilly Planning Application

Ref: P/25/007/COU

Consultation Response

Date: 04.02.2025
Ref: P/25/007/COU
Site: Workshop And Store (Banfield), Buzza Street, Hugh Town, St Mary's, Isles of Scilly
Proposal: Change of use to food takeaway unit, the installation of window in the end wall to act as a serving hatch and to erect new signage.

You are being consulted on this application as you may wish to make comments before a decision is made. Should you wish to make any comments on this application, please complete the response form below and return to planning@scilly.gov.uk by the **25th February 2025**.

Link to application: <https://scilly.gov.uk/planning-application/planning-application-p25007cou>

I look forward to receiving your comments in due course. If I have not heard back from you by the **25th February 2025** then I will assume you have no comments to make.

Consultee Name: Michael Coates, Head of Regulatory Services

I note the planned removal of asbestos cement roof panels from the workshop and store. From a health and safety perspective Environmental Health would require the details on the arrangements for the safe disposal of the asbestos cement roof panels and any associated asbestos cement guttering and pipework. Also details of any asbestos survey completed within the workshop and store identifying any asbestos containing materials within the workshop and store.
