You are being consulted on this application as you may wish to make comments before a decision is made. Should you wish to make any comments on this application, please complete the response form below and return to planning@scilly.gov.uk by the **23rd April 2025**.

Link to application: <https://scilly.gov.uk/planning-application/planning-application-p25031ful>

I look forward to receiving your comments in due course. If I have not heard back from you by the **23rd April 2025** then I will assume you have no comments to make.

Consultee Name: Bruce Forrest

I have reviewed the BNG report and agrees with the ecologist's conclusion that the de minimis exemption can be applied in this case. The ecologist has made suggestions for mitigating the risks to nesting birds and for site enhancement through the provision of bird and bat boxes. These suggestions should be specified as a condition of the proposal.

There are no objections on ecological grounds.
