I look forward to receiving your comments in due course. If I have not heard back from you by the **24th June 2025** then I will assume you have no comments to make.

Consultee Name: Michael Coates, Head of Regulatory Services (Environmental Health)

Standard Working Hours to be applied for any construction work; Monday to Friday 0800hrs to 1800hrs, Saturday 0800hrs to 1300hrs. No workings on Sunday and Bank Holidays to control noise level on site.

More details required on the extent of the works, the working hours and the type of work activity planned for any nighttime work. In particular during any demolition works and during the installation of the new extraction/coolant system, especially in relation to predicted noise levels. Further details required on the predicted noise levels at the nearest domestic dwelling when the extraction/coolant unit is installed and up and running.
