Ref P/25/071/HH Hanjague, Rocky Hill, St Mary's, Isles of Scilly, TR21 ONE.

PROPOSAL: Ground floor extension to provide utility / boot room, incorporation of outbuilding to provide games room, addition of first floor extension and changes to fenestration.

Dear Planning,

I have studied the application and I fully support it.

I am the tenant of Sunnyside farm.

Sunnyside Farm's fields completely surround Hanjague and all of the adjacent fields have high shelter belt hedges to enable to production of narcissus flowers.

Therefore the extension will only be visible from one or two places on Rocky hill track, a track in poor condition which is generally only used by residents and service vehicles as well as walkers due to it's quiet nature. So it will not in any way be obtrusive or prominent.

I welcome the addition of this modest and compliant extension to give further enjoyment to the children of Hanjague and their friends.

Kind regards

Mike Brown
