Dear Terry,

## Section 211 of the Town and Country Planning Act 1990: Notification of Works to Trees in a Conservation Area

### REFERENCE

P/25/073/TWA

### WORKS PROPOSED:

Application to remove two elm trees on the land to the north of Holy Vale Barns.

### LOCATION:

Holy Vale Barns, Holy Vale, St Mary's, Isles of Scilly.

Thank you for your notification for tree works in a Conservation Area dated 20 August 2025. Following a site visit of the Council's Planning Officer I am writing to confirm that there is **no objection** to the above tree works. Whilst the trees hold some amenity value it is considered that the proposed works are appropriate. The Council do not intend to protect these trees further through a Tree Preservation Order (TPO).

If the works are not executed within two years of the date of this letter you are required to notify the Council's Planning Department again of your intention to undertake work to the trees. The work should be carried out in accordance with good practice as set out in "British Standards Recommendation for Tree Work" BS3998.

Yours sincerely,

  
Lisa Walton
